Since there are only 2 ½ months left of this year, yikes.... (That is purely amazing) make sure you have completed the required event participation needed for ETP membership for this year. It is important. Consult the 2012 calendar of events below for the scheduled sanctioned events this year.</p> <p>It is possible for you to organize a sanctioned event for ETP. If you are aware of a clinic that may benefit the group, bring it to the meeting so we can vote to get it on the calendar. The ETP body can also vote to sanction events that need volunteers. Be an active member. It makes for even more of an awesome organization than ever!</p> <p>Cindy, Char, Jack, Janice and I had an eventful trip to State Championship Trail Trials in Sonora. The Mother Lode Ranch was positively beautiful! The country in Central California is so beautiful!</p> <p>Cindy took the <b><u>Champion Buckle</u></b> for her category. She is planning to have it put into a custom breast collar with a matching bridle for her horse, Gambler. She plans to go up one category next year with Gambler. Char and Jack did not place, but the course held wonderful riding and obstacles that challenge the rider.</p> <p>The Trail Trials committee asked Janice to judge obstacles at the State Championship Trail Trials! She certainly did her part to make it a success for all the riders that participated in the state. It was beautiful surroundings and a wonderful trip with awesome people.</p> <p style="text-align: center;">Happy Halloween</p> <div style="text-align: center;">  </div> <p style="text-align: center;">Be safe!</p> <p>Enjoy, laugh, be healthy and happy... this is your life, live it with everything you have with the ones you love!
