<td>The Trail Trials was a total success. Char, Jennifer, Janice, Henry and Ingrid made this one of the best in our history. The main crew organized the trails and obstacles. The credit for such fantastic organization goes to Char, Janice, Henry and Jennifer. They rode and rode and rode through hot sunshine and cold windy days. The work and responsibilities associated with this major event are monumental! Three cheers for our dedicated crew and those that turned out to help with the day-to-day activities. Judges, readers, helpers, chefs, ground crew, you name it and it was covered. I must say that the excitement and the wonderful attitudes of the participants made the entire week and weekend worth every bit of trouble! All bases were covered including a medic onsite, vendors in the event you needed something for your horse or pet, and plenty of communication. Job well done my dear dear friends! Truly, you are the very best ever! Job well done Char, Janice, Henry, Jennifer and Ingrid! Pictures below of the Trail Trials.</td>

**Hospitality/Visitors- Jennifer** Todd- Jennifer’s mother attended with Terry and Jennifer. Welcome!

Ron Jenkins was a guest at the ETP meeting, and Frank, Gail Tellez’ husband came to the meeting with her again! Yayay! Good to see you again, Frank!
**Inventory** - Louise Zirges –. Shirts and hats available. Louise has inventory with her at this meeting. She is ordering shirts. The prices will go up. She will figure into each shirt, a percentage of the sales tax we pay for the entire order into each individual shirt sale.

**ETP State Chairperson** - Ron Jenkins- Ron talked about the following points:
+ ID cards printed at State Level, ID cards-change in wording, Star badges not to be worn in public, Discussion of ETP program, Expectations, Issues, Improvement ideas, Dues and general fund, Ideas for fundraisers.

**Equipment** - Laura Schultz- One ETP blanket is still at the cleaners. We are in need of new flashlights with cones. Approx 6 to 12 needed for our inventory. Matt Smith and Henry Escalera put LED bulbs in the flashlights we currently have.

**Trail Reports** – Janice Escalera- Members who have ridden/patrolled may verbally give their reports or turn written report into Janice Escalera. “Catch up” reports are welcome at this time as well. Feel free to email or call, just get her the information on your ride! Needed information: when, where, what you observed, number of riders. Get your reports Janice Escalera. as the year is winding down and in a couple of months the final report will be prepared to submit.
+ Helen Johnson- reported that she and Sharon Bernard found a trail paralleling Ridgeview that has barbed wire and fence posts standing where a fence used to be located. The situation is dangerous and has the potential to cause injury to walker, rider or a horse. Janice Escalera said that the Ranger should be contacted and he could get his crew down there to pull up the freestanding fence posts and retrieve the barbwire. Helen will contact the Ranger.

**Christmas Baskets** – Wendy Ellison- Discussion of where to find our three families. Wendy said that using the fire company in Jurupa did not work last year and we would find our own families this year. We all agreed. Different schools were discussed, but the result was to let Wendy find the families via a local needy school. She will bring the names of the families and children to the next meeting so we can sign up to get presents for each child. Mary Russell also said that some clients of hers were in real need of help at Christmas. This could be an avenue for ETP as well.

**Friends of ETP Trail Rides** – Members choose their favorite spot and set up a ride.
+ Chuck Holbrook set up a ride in Bonelli Park for Sunday, November 3. First day of daylight savings time. Meet at Stater Brother’s parking lot at 9:00 a.m. if you wish to caravan. Ride will leave at 10:00 a.m.
+ Mary Russell- Mark your calendar, January 1 for the Annual New Year’s Day Ride. Mary hosts it each year. It will be a chili cook-off / potluck

+ Wendy Ellison- There is now trash barrels in the riverbed and people are using them!

**Legislation Jurupa** - Henry Escalera –The city is trying to grandfather the current trucking companies in and change the zoning. Henry is fighting against this as the horsemen and horses will be the next target, he feels. The A1 zoning will be next to being changed. The meetings are held on Tuesdays or Thursdays. Go to the city website for information if you wish to attend meetings.

**Legislation/ Norco** – Henry Escalera - Silver Lakes - no legislation and they have huge legal issues.

**Events/Request for Help** – Henry Escalera –. No requests at this time.

**Trail Patrol and Clean Up** – Joe Hoschied- No trail clean ups are scheduled at this time.

Review/Report:
+Trail Trials Report- Char Schramm- ETP Support of the Trail Trials State Championship Event
Trail Trials was a huge success. Char thanked ETP for helping with so much manpower. ETP represented approx. 2/3 of the judges. The majority of the work force was ETP people.
The CSHA program increased membership, as people had to be a direct member of CSHA or a CSHA club member to ride the Trail Trials! Now that NHA and RRT are no longer CSHA Clubs, more folks are joining direct.
+ Helen Johnson- CSHA gave ETP a beautiful framed MVP award at the Trail Trials. It said a heartfelt thank you for all ETP’s continuing efforts to work and make each event we participate in, a success. Especially the Trail Trials CSHA hosted in the south this year.
Henry Escalera arranged with Sizzler for it to be displayed in the front foyer of the restaurant as patrons walk in, they are able to see it. ETP has held their meetings at the Sizzler for such a long time, Henry felt the award belongs there. We all agreed with Henry that is was the perfect venue! Congratulations to you all ETP!

OPEN Discussion
Brag for a Buck:
+ Sharon Bernard said that “it pays to work the ETP trail clean ups” as she found a dollar in the riverbed while cleaning trails. She used that dollar to pay for this brag!
+ Margie Sivert recently flew to Mississippi to see her son become an aviator! He will now be stationed in Lamore, CA and fly Super Hornets! Congratulations to your son and to you, Margie!
+ Collie’s two horses used Chuck and Darla’s chiropractor recently.

Raffle- The lucky winner of this months raffle was Mary Parker. Thanks to Cody, our official ticket drawer, Mary won half of $89.00! Janice Escalera, who organizes this raffle, said that this is the largest “pot” we have ever had since starting the raffle. WhooHoo ETP!

Meeting adjourned at 7:52 pm
Minutes respectfully submitted by Helen Johnson.
Next ETP meeting Monday, November 04, 2013.
CSHA meeting Wednesday, October 09, 2013.

ETP, I just received a picture and email from our Ranger, Nani, who went out into the riverbed and got the barbed wire fence off of our trail and out of harms way! This is so cool! Boy, they were fast !!!!!!!!

CPR

IMPORTANT CPR REMINDER

ALL members are now required to have CPR/First Aid card or certification must be sent a copy into the state office so they have a record of it on file. A copy of your new card given to Char is recommended.

ETP will reimburse 75% of the cost of the CPR class.

Be Thinkin’

CSHA & ETP renewals are coming up in December and January.
There were some problems last year when five of our members submitted their renewals directly to the state. The state said they did not receive their renewals. Giving your renewal to Char to record for our records and send into the state, will insure that your completed memberships will be on time and we will have a record that they were sent to the State office.
This option is available and is the safest way to secure that your membership dues are delivered on time.
**Trail Reports**

Members who have ridden may give their reports to Janice Escalera or email the report(s) to her. Include all riders and **submit only one report with all participates names**. Please do not duplicate reports. Keep them coming! The trail reports function in many different capacities, all focused on keeping our trails for use in the future! **Keep turning them in to Janice Escalera!**

Year to Date Janice Escalera has recorded **597** trail reports turned in by members.

ETP’s main purpose is to support trails. The mission statement is:

“Each patrol member must be dedicated to the promotion of good trails, adequate trail rules, ordinances and laws governing the use of trails in California.”

The main way we do this is thru riding trails and reporting on use, conditions, issues, assistance and any clearing, etc. done. All of our community service events are secondary to **riding trail and reporting**. Please ensure you are a contributing member to the support of our trails.

**NOTE FROM RON JENKINS, CSHA ETP STATE CHAIRMAN – 10/12/13**

To all members of Region 11 E.T.P.,

I would like to apologize to any person that may have been offended at the Monday Night E.T.P. Meeting. Region 11 ETP has always supported CSHA, Trail Trials and various equestrian groups. It was my hope to bring forward some concerns, so that the Program could continue grow and expand their support. I would like to thank you for the opportunity to speak to the group and to support ETP at the State level.

I believe that there are a lot of great members in this program with some really good ideas on how to improve the program and make the program more successful.

Ron Jenkins
E.T.P. INTRUM STATE CHAIR
