The speaker at ETP’s November meeting from Vector Control was so very informative and educational. Brian Van Dyke was so knowledgeable as he summarized information about mosquitoes, bees and West Nile. Brian Van Dyke cited invaluable detailed information for us. Thank you, Janice Escalera, for bringing Brian to speak to us, enabling us to learn this critical information.

Be Aware that West Nile is at epidemic proportions. Take care to empty any ponds or standing water, thus not letting mosquitoes breed and multiply. Keep your horse clean, sprayed with repellent and perhaps covered with a summer flysheet. Most important is the West Nile vaccination for your horse!

We did not elect new officers for 2016 ETP this November meeting. December meeting we will elect new officers. Start thinkin’ of a position you would be suited to take for next year. Be sure to attend the meeting December 7th so you can nominate, and vote! Be safe, enjoy, and smile!

Happy Thanksgiving!

Happy Trails to you, my friends. Until we meet again!
