## **Important Information** **Informal ETP Blankets**

The ETP purchased blankets **should be rinsed** off with water and a mild soap or carpet cleaner. It is advisable that you **NOT** place them in the washing machine as the resilience of the material may be compromised. The material will hold up longer, maintain its color and shape if it is hand washed. You may use the garden hose or even just brush the dirt off the blanket.

### **Turn them in!**

Re: Trail reports- Members who have ridden may give their reports to Janice Escalera or email the report(s) to her. Include all riders and **submit only one report with all participates names**. Please do not duplicate reports. Keep them coming!
