What awesome weather we are having. It is a good idea to take advantage of it before the heat sets in, and ride as much as possible!</p> <p>Many cool things are happening this month and next, the next, and the next! ETP friends ride is Sunday, April 14 at Wildwood. Get “yur” boots on and go with your friends for a wonderful ride. Meet at the Stater Bros. on Limonite at 8 am to caravan.</p> <p>Sunday, April 28 is our Trail Trials that Char, Janice, Henry, and Cindi have put in so much time and effort to make it not only a great riding day for our competitors, but successful fund raiser! Let’s get out there and have a great time!</p> <p>May 18 brings us to our clinic that Rick Wagner is putting on for us. This training was so beneficial last year to help us with handling horses in heavily populated areas to crowd control. His information has been so useful all year long!</p> <p>Recently I was talking to Hilda Hoschied. The lead rope on my horse was looped <u>around</u> the horn of my saddle. She reached for it and <u>properly</u> put the slipknot that Rick Wagner taught us, and then put it back on the horn. Her comment to me was “don’t you remember from the clinic the right way to carry your lead rope?” Well, Hilda absolutely <u>saved me</u> that day! I have not even had a minute to thank her for taking the time to put the rope in proper position. My horse started to act up on the way home from Hilda’s. I walked him for a while on the trail in the riverbed and thought I would give another try at riding him the rest of the way home. As I started to mount, he gave a jump that sent me flying... I remember this in slow motion, as I grabbed the rope Hilda had just adjusted for me and I was able to successfully hold on to the horse’s lead line as he started to dash away from me. If the rope had been looped, <u>as I had it</u>, the horse would have taken off and disaster may have followed as I was riding parallel to Limonite!</p> <p>These clinics matter and are important. Lets all get out and listen to what Rick has in store for us. It makes a difference!</p> <p>Safety and blessing to you all! Happy Trails until we meet again.</p>	<p style="text-align: center;"><u>Chairperson</u></p> <p><u>Trail Reports/Records</u> Janice Escalera 951-681-0108; 909-731-8748 redluna1@sbcglobal.net</p> <p><u>Group Rides, Etc</u> ALL members</p> <p><u>ETP Meeting Chair</u> Tracy Penna Wendy Ellison</p> <p><u>Inventory/Wearable’s</u> Louise Zircus 951-734-2986 kenlouise@sbcglobal.net</p> <p><u>Norco Rodeo – August Legislation/Trail Issues Jurupa Valley</u> Henry Escalera - 951-681-0108; 909-731-8747 redluna1@sbcglobal.net</p> <p><u>Legislation/Trail Issues Norco</u> John Rigler – 951-278-0670 mrrigs1@aol.com</p> <p><u>Hidden Valley – Ranger John Vint – Cell 951-906- 9333; rangrjohn@aol.com</u></p> <p><u>Sheriff Phone Numbers</u> 951-279-4311; 951-270-5673 California Fire Incident Website http://inciweb.org/state/5/</p> <p><u>CSHA Website</u> htaliforniastatehorsemen.com</p> <p><u>Riverside Co. OPEN DISCUSSION:

- + Henry Escalera- Norco is promoting horse safety. They have a campaign going on **Lights for Nights**. Nightriders must have a light on the horse. Janice attended a safety seminar given by a police officer last Spring, who stated that a horse is a vehicle in the eyes of the law when on the public roads; they must have a light on them at night!
- +Sandy Campbell- A "**runners vest**" is a lightweight vest with reflectors and LED lights attached to it . The cost is between 30 and 35 dollars. It may be purchased at the Sports Chalet.
- + Henry is still researching the reflective breast collars that are in our ETP colors. This is not considered part of our uniform tack, but is a safety addition and our colors provide uniform unity. It is expressly important for the rodeo to have reflectors/lights on your horse!
- +Darla Holbrook- talked to Ranger, John Vint, and relayed this information to us. He cautioned that women should not ride in the riverbed alone. There were homeless people residing there and it was not a safe practice.
- +Laura Shultz- told about a little know assistance program called **Medical Financial Assistance Program** (MFA). Kaiser and Arrowhead Regional operate a MFA. This program will pay for medical assistance to whomever and not ask questions that might keep someone from seeking medical help. Laura will bring information next meeting.

Brag for a Buck-

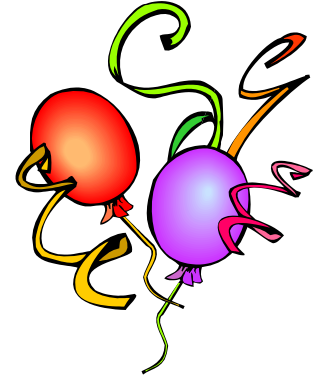

- + Helen Johnson bragged that she has been saddling and riding her new horse and has been "doing everything!" Yay
- + Janice Escalera relayed to us that she had gone riding with Linda O'Dell at Linda's ranch for the day. After a good ride, Janice arrived home after dark. Once at home, she received a text from Linda asking her if she "had her cat". Janice's first reactions were NO, but said she would look in her trailer.... Yup she found Linda's cat, a stowed away in her horse trailer! Henry and Janice took the cat back to Linda that evening. Janice said it was so cute that the cat sat between them just like a child the entire way. Good thing Linda called Janice that very evening!!!!
- + Char Schramm Todd bragged that Jennifer Todd received an award from her employer, as she was recognized and **VOTED** by her peers as the Best of the Best of the BEST!!! Whoo Hoo..

50-50- Janice Escalera- Our own Cody picked the winning ticket for our 50-50! **Vicky Gonzales** won the 50-50!! She won \$23.50! Yay Vicky!!!!!!!!!!
