As usual, our activities in March were somewhat derailed by the high winds. Jennifer Todd's <u>Bark For Life</u> was a success just because it was so near and dear to our hearts and she put so much work and effort into making it a fun afternoon for all the four-legged "kids" and their two legged partners.</p> <p>The winds came up early and blew pretty hard for much of the day. The winds seemed to taper down, somewhat, by 11 am making it ultra beautiful and serene walking the course that the ETP crew cleared at the nature Center. It was especially enjoyable because many brought their children and grandchildren. The Escalera's and Char's grandchildren were especially fun to watch and interact with as they ran smiled and enjoyed the trail and the beautiful surroundings!</p> <p>May 3 is our next trail clean up. We will stage by Wholesale feed on Limonite, meeting there at 7:30 am to beat the heat. Joe Hoscheid checked out the riverbed and found the area from the tunnel towards Bain littered and in need of TLC. That is going to be our focus for the 3rd of May.</p> <p>Plan to join us for an hour or so. Let's make a difference! My best to each of you. Take care of your loved ones, animals and friends. Life is important and caring makes a difference.</p> <p>See you all at the meeting May 3rd.</p>  <p>Bark for Life - 2014</p>	<p><u>Chairperson</u></p> <p><u>Trail Patrol / Clean-up</u> Joe Hoscheid 951-685-5371</p> <p><u>Trail Reports/Records</u> Janice Escalera 951-681-0108; 909-731-8748 redluna1@sbcglobal.net</p> <p><u>Friends Of ETP Rides</u> ALL members – Pick your favorite spot and lead or coordinate a ride</p> <p><u>Norco Rodeo - August</u> Henry Escalera 951-681-0108; 909-731-8747 redluna1@sbcglobal.net</p> <p><u>Legislation/Trail Issues</u> Henry Escalera 951-681-0108; 909-731-8747 redluna1@sbcglobal.net</p> <p><u>Legislation/Trail Issues</u> Sandy Campbell 951- 340-1609</p> <p><u>Events Recording</u> Char Schramm 951-340-0950; 951-316-7062 charschramm@earthlink.net</p> <p><u>CSHA Website</u> http://californiastatehorsemen.com</p> <p><u>Hidden Valley - Ranger</u> Robert Williams; Cell 951-712-2039 Robert.williams@rivcoparks.org</p> <p><u>Sheriff Phone Numbers</u> 951-279-4311; 951-270-5673</p>

At the meeting, one of our new ETP members offered to give a report from the State of the City Meeting in Norco being held the next day. New active members are awesome! Here is the email I received from Maureen:

I am excited to be a part of ETP!

I did attend the State of the City meeting in Norco on Tuesday. I didn't learn much. The Chamber hosted a nice event but it was more about the businesses Norco has recently attracted, learning that Norco wants to sell itself as a 'destination' town.

Although tax revenue has climbed from 3 million (ish) to 5 million (ish) over the past few years, the city has little to no money for street and trail repairs. Even leaning heavily on the various volunteer organizations doesn't seem to be adequate. The city was very busy promoting it's new veterans memorial and didn't mention anything at all about the downfall of the equestrian facility off Hamner (Silver lakes).

That's it. Maureen Musgrave

RIDE, Ride, RIDE **Trail Reports**

Don't forget Janice Escalera needs those trail reports to turn into the County, State and everyone in between. One report per ride, list the names of those that rode, no duplicate reports for the same trail ride. You are Awesome!!!!!!!!!!!!!!
Whoohoo and Thanks
You Do Make A Difference!!
