Janice and Henry Escalera let Char use their motor home to compile the numbers on her laptop as the judges completed pages of contestant’s scores. The day ran very smoothly! The prizes won for low point were three beautiful conchos for the horse’s headstall donated by ETP. Rick Wagner and Jack Jimenez each won one of the conchos. Jack put it on his new headstall he had won at another event he competed in the weekend of May 4. It was quite stunning as he brought the headstall to share with ETP at the monthly meeting. Pictures are below of the day.</td>

Ranger Robert Williams

I would like you all to meet our new ranger for Hidden Valley. He recently took Ranger John Vint’s place after Ranger John retired.

Ranger Robert and his team of rangers and helpers were so helpful to at the Trail Trials ETP sponsored. They worked beside us to help transporting the judges to their obstacles as well as picking them up after all riders had passed through. Ranger Robert is in charge of Open Spaces, Reserve Land, the Santa Rosa Plateau, Box Springs, Hidden Valley and Hartford Springs. He has a huge job and needs ETP on patrol to be his eyes and ears. Ranger Robert is married and has two young daughters. He told me he loves his job and takes it very seriously. Ranger Robert said to me that he” has 30 years to fill John Vint’s shoes. They are huge shoes to fill.”

I am confident that Ranger Robert will do a great job as he and his team of rangers work hard to keep our Open Spaces and trails safe and operable for trail riders to enjoy. Thank you, Ranger Robert and all the rangers that turned out to assist us at our Trail Trials this past April 28. We look forward to working with you and all the rangers!
