I have to say that the McCall's campout, vet clinic and seminar truly, a wonderful weekend. The ETP campers experienced a variety of weather conditions, from rain and VERY cold, to sunny and beautiful. There had even been snow a few miles up the road early on in the weekend. Louise Zirges took some awesome pictures of Sunday and Monday riding and I took pictures of Dr. William's seminar and the fantastic potluck on Saturday! Pictures have been put in this newsletter for you to enjoy.</p>  <p>Everyone bundled up, as the weather was cold and evening approached on Friday. Saturday evening we all wore warm jackets and enjoyed the awesome potluck and Henry's BBQing! Sunday the sun came out and riding was pleasant in the tepid air.</p> <p><u>Another ETP Save!!!</u> Yup, I have to say that Joe Hoschied is one tough cowboy! He truly "Cowboyed Up" when he was unseated from his horse and landed on the ground on Friday at McCall's. He fractured his ribs, which contributed greatly to his body being <u>so</u> sore! Joe is going to make it to see another day! Feel better Joe!</p> <p>The crew took his horse, Sally, out for a ride on Sunday on the McCall's trails. She did really well, but missed Joe, of course!!</p> <p>Fiesta Island on Sunday was an all day affair! The ETP group met at the McDonald's off of Hidden Valley Parkway and caravanned down together! Tracy Penna and Randi Verin were the trail bosses on this excursion. It is a favorite place to ride for Tracy. She loves it down there.</p> <p>Don't forget to mark your calendars for the Norco Rodeo! This is a "family affair" so get your boots on!</p> <p>Be safe and make good decisions...which includes <u>think</u> before you act or... when in doubt, <u>don't!</u> Happy Trails my friends, until we meet again!</p>	<p><u>Chairperson</u></p> <p><u>Trail Patrol / Clean-up</u> Joe Hoscheid-951-685-5371</p> <p><u>Trail Reports/Records</u> Janice Escalera 951-681-0108; 909-731-8748 redluna1@sbcglobal.net</p> <p><u>Group Rides, Etc</u> ALL members – Pick your favorite spot and lead or coordinate a ride</p> <p><u>ETP Meeting Chair</u> Tracy Penna / Wendy Ellison</p> <p><u>Inventory/Wearable's</u> Louise Zirgus 951-734-2986 kennlouise@sbcglobal.net</p> <p><u>Norco Rodeo – August Legislation/Trail Issues</u> <u>Jurupa Valley</u> Henry Escalera - 951-681-0108; 909-731-8747 redluna1@sbcglobal.net</p> <p><u>Legislation/Trail Issues</u> <u>Norco –</u> John Rigler - 951-278-0670 mrrigs1@aol.com</p> <p><u>Hidden Valley – Ranger</u> John Vint – Cell 951-906-9333; rangrjohn@aol.com</p> <p><u>Sheriff Phone Numbers</u> 951-279-4311; 951-270-5673 California Fire Incident Website http://inciweb.org/state/5/</p> <p><u>CSHA Website</u> http://californiastatehorsemen.com</p>

Trail Patrol and Clean Up- Joe Hosheid- **McCall's camp out**

+ Joe was not in attendance; however, the news from McCall's reported that Friday another **ETP save** occurred!! Joe came off his horse and cracked some ribs. He truly "Cowboyed Up" and slept in his tent one night. The next day, he camp down the hill with Peter to go to the doctor.

McCall's was once again, a wonderful experience. The potluck was awesome.. Doc Williams gave his time and expertise.

+Cindy Laurenson reported that her neighbor's two horses got out and went merrily down the street unaware of the dangers they presented. They were picked up by Animal Control. It cost the owner \$400.00 to get them back from the County.

+ Char reported that a friend and former ETP member, Janet Backer, was riding with her dogs in the riverbed when she cam across coyotes. They were interested in luring her dog away from her; the coyotes came a little too close for comfort. Fortunately, her dog stayed close to her and they left the area quickly. All turned out to be ok. Be careful as many coyote reports have come in that they are getting closer and closer to horseman.

Open Discussion-

Dakota Hawley invited everyone to plan ahead on their calendars for Tombstone for 2013. Dakota and Patty will be going 2012 also and you are invited if you wish to go along this year. It is a historical site in Arizona where there are reenactments of Days gone by..... El Dorado Days is the 3rd weekend in October . Starting Saturday there are free shows/reenactments in the street the entire

day. It is a wonderful time! (Patty and Dakota are part of a reenactment group that attends this event and many others throughout the year!)

If ETP went as a group, we could be in the parade on Sunday, with or without horses.

If you brought your horse, come a few days earlier to ride and explore the new surroundings. It is approx. a 7-hour drive to Tombstone.

Patty told us that the **Birdhouse Saloon** is haunted!!!

Janice Escalera read that a horse dentist would be available for group dental work on horses. She said that even if you have a horse dentist to lead the clinic to let Janice know and perhaps a day can be set up to have a lower cost dental clinic for horses sponsored by ETP.

Brag for a Buck

+Colly Van Dyken had two brags. The first is that she actually was able to go on the Women's ride this year over Mother's Day weekend. She arranged it with her mom and was able to ride! Her second brag is that she FOUND her phone! She was late to the ETP meeting because her horse did a "hi ho silver" and her cell phone became dislodged from her saddlebag and dropped to the ground. She would have made the meeting on time but she had to find her phone. She retraced steps and had other riders call the number and found it in the general area she thought it had been lost!

+ Char Schramm bragged about the ride down from McCall's. They were all packed up, horses in the back of Char's trailer, at the Ramona Expressway they had to come to a stop. Just at that time, they felt the trailer "go crazy" shaking. Two miles later at a safe place, Char turned off the road and Jennifer jumped out to check the horses... Blaze'n, Char's new horse, was in the same stall or on the same side of the partition as Ramon. Some how Blaze'n had broken his breakaway halter, had gotten under the partition, and had tucked himself next to Ramon, pinning Ramon against the wall of the trailer. The horses had minor cuts and scraps, but fortunately, nothing serious!

Char's second brag is the ride up at Big Bear June 3rd. Char rode Blaze'n and he did very very well, Jennifer rode her 4 year old who did very well also! It was an excellent day.

Meeting adjourned at 7:42 pm

Minutes respectfully submitted by Helen Johnson.

Next ETP meeting Monday July 2, 2012.

HAPPY BIRTHDAY

Information **Informal ETP Blankets**

The ETP purchased blankets **should be rinsed** off with water and a mild soap or carpet cleaner. It is advisable that you **NOT** place them in the washing machine as the resilience of the material may be compromised. The material will hold up longer, maintain its color and shape if it is hand washed. You may use the garden hose or even just brush the dirt off the blanket.

Re: Trail reports- Members who have ridden may give their reports to Janice Escalera or email the report(s) to her. Include all riders and **submit only one report with all participates names.** Please do not duplicate reports. Keep them coming!
