By Helen Johnson

Hi, Gang. Here’s hoping that September is the last of the hot spells that we will be subject to this year. Remember to watch your animal’s water and health. The heat is hard on older horses.

Make sure you vaccinate for the West Nile. This should be done every 6 months. Increased cases and more deaths from this terrible illness are being reported.

Hope to see you all at this upcoming ETP meeting. Monday October 5th. Dinner and socializing at 6, meeting starts at 7 pm.

The next meeting we need to vote in a new president for CSHA. Without a president for region 11, CSHA will fold, as will the entire region. We need the president for next year in place by this October meeting. If you are able to step up to the plate for this position, please seriously consider it. If you know of someone who could fulfill the obligations of CSHA President, please contact them.

Thank you for your help and consideration on this matter.

Happy Trails to you, my friends. Until we meet again!
