

STATE CHAMPIONSHIP SHOW How to Reduce Your Show Fees

Are you planning on attending the show this year? Would you like to have some or all of your entry fee* and stall fee paid by someone else?

If you answered yes to both of these questions, then the Sponsorship program is meant for you. Each year many riders get their SCS entry fee and stall fee paid by obtaining sponsorships from businesses/friends/family.

For every \$250.00 collected one pre-entry fee and one pre-entry stall fee will be credited

***Credits will not be applied to any jackpot entry fee, Drug Fee, additional stall fees, or camping fees.**

The credit is deducted on the Fee Submission form.

LIMIT: If total accumulated credit exceeds the total fees due the excess will not be refunded.

Credit will NOT be given for donated merchandise.

All sponsorships received by the deadline date will appear in the show program. Postmark **deadline for the submission is September 1st**. A **separate Sponsor Form** must be completed for **each advertisement**. Do NOT hold the forms to send with an entry form. Sponsorship forms should be submitted when completed. Only forms submitted with full payment will be processed.
